Springer International

Skeletal Radiology

Founded in 1976.
Volumes 1–8 (1976–1982) edited by J. Edeiken, H.G. Jacobson, R.O. Murray, and P. Jacobs (replaced R.O. Murray from Volume 7, Number 3, 1981, to Volume 8, Number 3, 1982)

Volume 9 (1982/83) edited by J. Edeiken, H.G. Jacobson, and W.M. Park (deceased)
Volumes 10–12 (1983/84) edited by J. Edeiken, H.G. Jacobson, and R.O. Murray

---

Submission of a manuscript implies that the work describes has not been published before (except in the form of an abstract or as part of a published lecture, review or thesis), that it is not under consideration for publication elsewhere, that its publication has been approved by all the authors and by the responsible authorities – tacitly or explicitly – in the institutes where the work was carried out and that, if accepted, it will not be published elsewhere in the same form, in either the same or another language, without the consent of the copyright holders. By submitting a manuscript the authors agree that the copyright for their article is transferred to the International Skeletal Society if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform, electronic data base, video disks, or any other reproductions of similar nature, and translations. Photographic reproduction, microform, electronic data base, video disks, or any other reproduction of text, figures, or tables from this journal is prohibited without permission obtained from the International Skeletal Society.

The use of general descriptive names, trade names, trade marks, etc., in this publication, even if the former are not specifically identified, is not be interpreted as exempt from the relevant protective laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of going to press, neither the authors nor the editors not the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special regulations for the USA

Photocopies may be made for personal or internal use beyond that permitted by Section 107 or 108 of the U.S. Copyright Law, provided a fee is paid. This fee is $0.20 per page or a minimum of $1.00 if an article consists of less than five pages. Please pay this fee to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0364-2348, volume, and first and last page numbers of each article copied.

The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or for resale. Specific written permission must be obtained from the International Skeletal Society for such copying.

Other regulations

Authors of this journal can benefit from library and photocopy fees collected by VG WORT if certain conditions are met. If an author lives in the Federal Republic of Germany or in West Berlin it is recommended that he contact Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed information.

Subject Index

Adult spine, the radiological diagnosis of tuberculosis of the . . . 178
Aluminum deposition, osteomalacia and secondary hyperparathyroidism with (*case report*) . . . 223
Alveolar rhabdomyosarcoma metastatic to the right femur, primary site undetermined (*case report*) . . . 288
Arch of the atlas and dens, fusion of the anterior . . . 21
Arthritis, severe erosive, of large joints in chronic renal failure . . . 29
Arthrography, joint fluoroscopy before: detection and evaluation of loose bodies . . . 199
Atlas and dens, fusion of the anterior arch of the . . . 21
Atlas, occipitalization of the, with severe cord compression (*case report*) . . . 55
Basal cell nevus syndrome, widespread osteolytic lesions of the long bones in . . . 196
Bone scanning to detect fractures in a woman on chronic steroid therapy, failure of . . . 204
Bronchogenic carcinoma, osteolytic cortical metastasis in the femur from (*case report*) . . . 146
Calcaneal morphologic index determine the degree of osteoporosis, can a . . . 119
Calcifications simulating peroneus longus tendinitis . . . 37
Candida discitis and vertebral osteomyelitis at L1–L2 from hematogenous spread (*case report*) . . . 284
Carcinoma, bronchogenic, osteolytic cortical metastasis in the femur from (*case report*) . . . 146
Cartilaginous tumor, low-grade, with "skip lesion", (*case report*) . . . 134
Cerebellar atrophy and osteomalacia (rickets) secondary to the effects of diphenylhydantoin (dilantin) (*case report*) . . . 281
Cervical spine and upper extremities, normal thermographic standards for the . . . 235
Cervical vertebra, the first. Radiology of postnatal skeletal development . . . 12
Cervical vertebra, the second. Radiology of postnatal skeletal development . . . 169
Chemonucleolysis, post-chymopapain – clinical and computed tomography correlation: preliminary results 270
Children, femoral neck fractures complicating Gaucher disease in . . . 162
Children, metaphyseal cortical irregularities in: a new perspective on a multi-focal growth variant . . . 112
Common oversights in the evaluation of the patient with multiple injuries . . . 103
Compression, severe cord, occipitalization of the atlas with (*case report*) . . . 55
Computed tomography and clinical correlation – post-chymopapain (chemonucleolysis): preliminary results 270
Computed tomography in osseous hydatid disease (echinococcosis), the value of . . . 192
Computed tomography of cortical desmoid . . . 40
Computerized tomography in the evaluation of hip dysplasia, dosimetry of . . . 123
Contrast examination as a prognostic factor in the treatment of solitary bone cyst by cortisone injection . . . 97
Cord compression, severe, occipitalization of the atlas with (*case report*) . . . 55
Cortical desmoid, computed tomography of . . . 40
Cortical, metaphyseal, irregularities in children: a new perspective on a multi-focal growth variant . . . 112
Cortical osteolytic metastasis in the femur from bronchogenic carcinoma (*case report*) . . . 146
Cortisone injection, contrast examination as a prognostic factor in the treatment of solitary bone cyst by . . . 97
Cyst, hemorrhagic, osteopetrosis with, of the right sixth rib (proved) and the left second rib (presumptive) (*case report*) . . . 59
Cyst, solitary bone, contrast examination as a prognostic factor in the treatment by cortisone injection of . . . 97
Cyst, solitary bone, of the proximal end of the left humerus, gas within a (*case report*) . . . 214
"Cystic" parosteal osteosarcoma (*case report*) . . . 227
Cysts, giant synovial . . . 90
Dens and atlas, fusion of the anterior arch of the . . . 21
Desferrioxamine therapy, dialysis osteomalacia with response to (*case report*) . . . 298
Desmoid, cortical, computed tomography of . . . 40
Development, radiology of postnatal skeletal. XI. The first cervical vertebra . . . 12
Development, radiology of postnatal skeletal. XII. The second cervical vertebra . . . 169
Diagnosis, the radiological, of tuberculosis of the adult spine . . . 178
Dialysis osteomalacia with response to desferrioxamine therapy (*case report*) . . . 298
(Dialysis-induced) secondary hyperparathyroidism and osteomalacia, with aluminum deposition (*case report*) 223
Diametaphysis, upper tibial, nonossifying fibroma of the, with considerable increase in size over a three-year period (*case report*) . . . 294
Diphenylhydantoin (dilantin), osteomalacia and cerebellar atrophy secondary to the effects of (*case report*) . . . 281
Discitis, Candida, and vertebral osteomyelitis at L1–L2 from hematogenous spread (*case report*) . . . 284
Dosimetry of computerized tomography in the evaluation of hip dysplasia . . . 123
"Drooping shoulder" – nontraumatic causes of glenohumeral subluxation . . . 34
Dysplasia, hip, dosimetry of computerized tomography in the evaluation of . . . 123
(Echinococcosis) osseous hydatid disease, the value of computed tomography in . . . 192
Epidural lipoma at the level of T8 (*case report*) . . . 139
Erosive arthritis, severe, of large joints in chronic renal failure . . . 29
Evaluation of the patient with multiple injuries, common oversights in the . . . 103
Ewing sarcoma of bone, roentgenographic – pathologic correlation of diffuse sclerosis in . . . 69
Femoral neck fractures complicating Gaucher disease in children . . . 162
Femur, hemangioendothelioma (malignant) of (*case report*) . . . 142
Femur, osteolytic cortical metastasis in the, from bronchogenic carcinoma (*case report*) . . . 146
Femur, right, alveolar rhabdomyosarcoma metastatic to the, primary site undetermined (*case report*) . . . 288
Fibrocartilaginous mesenchymoma with low-grade malignancy . . . 263
Fibroma, nonossifying, of the upper tibial diametaphysis, with considerable increase in size over a three-year, period (*case report*) . . . 294
Fluoroscopy, joint, before arthrography: detection and evaluation of loose bodies . . . 199
Foot, left, posterior migration of the os peroneum of the, indicating a tear of the peroneal tendon (*case report*) 44

Foot, right, neurilemmoma of (*case report*) 129
Fractures, femoral neck, complicating Gaucher disease in children 162
Fractures in a woman on chronic steroid therapy, failure of bone scanning to detect 204
Fusion of the anterior arch of the atlas and dens . . . 21
Gas within a solitary bone cyst of the proximal end of the left humerus (*case report*) 214
Gaucher disease in children, femoral neck fractures complicating 162
Giant cell (reparative) granuloma of the sphenoid bone (*case report*) 48
Giant cell tumor of bone, role of radiologic imaging in management planning of 79
Giant synovial cysts 90
Glenohumeral subluxation, nontraumatic causes of – "drooping shoulder" 34
Granuloma, giant cell (reparative), of the sphenoid bone (*case report*) 48
Hemangioendothelioma (malignant) of femur (*case report*) 142
Hemangioma of bone arising in the maxilla 187
Hematogenous spread, Candida discitis and vertebral osteomyelitis at L1–L2 from (*case report*) 284
Hemorrhagic cyst, osteopetrosis with, of the right sixth rib (proved) and the left second rib (presumptive) (*case report*) 59
Hip dysplasia, dosimetry of computerized tomography in the evaluation of 123
Hip replacement, radiology of total 1
Humerus, left, gas within a solitary bone cyst of the proximal end of the (*case report*) 214
Hydatid disease, osseous, (echinococcosis), the value of computed tomography in 192
Hyperparathyroidism, secondary, and osteomalacia, with aluminum deposition (*case report*) 223
Hyperparathyroidism, secondary, related to chronic renal disease with erosion of articular surface of both patellae (*case report*) 63
Injection, cortisone, contrast examination as a prognostic factor in the treatment of solitary bone cyst by . . . 97
Injuries, multiple, common oversights in the evaluation of the patient with 103
Intraosseous lipoma of the tibia (*case report*) 209
Joint fluoroscopy before arthrography: detection and evaluation of loose bodies 199
Joints, large, in chronic renal failure, severe erosive arthritis of 29
Lipoma, epidural, at the level of T8 (*case report*) . . . 139
Lipoma of the tibia, intraosseous (*case report*) 209
Loose bodies, detection and evaluation of: joint fluoroscopy before arthrography 199
Low-grade cartilaginous tumor with "skip lesion" (*case report*) 134
Malignancy, low-grade, fibrocartilaginous mesenchymoma with 263
Malignant hemangioendothelioma of femur (*case report*) 142
Maxilla, hemangioma of bone arising in the 187
Mesenchymoma, fibrocartilaginous, with low-grade malignancy 263
Metaphyseal cortical irregularities in children; a new perspective on a multi-focal growth variant 112
Metastasis, osteolytic cortical, in the femur from bronchogenic carcinoma (*case report*) 146
Metastatic to the right femur, alveolar rhabdomyosarcoma, primary site undetermined (*case report*) . . . 288
Metastatic Wilms tumor with rhabdomyosarcomatous and osteosarcomatous elements (*case report*) 218
Migration, posterior, of the os peroneum of the left foot, indicating a tear of the peroneal tendon (*case report*) 44
Morphologic, cancaneal, index determine the degree of osteoporosis, can a 119
Mucolipidosis I: roentgenographic follow-up 153
Musculoskeletal sporotrichosis 23
Navicular, the painful accessory 250
Neck, femoral, fractures complicating Gaucher disease in children 162
Neurilemmoma of right foot (*case report*) 129
Nonossifying fibroma (NOF) of the upper tibial diametaphysis, with considerable increase in size over a three-year period (*case report*) 294
Nontraumatic causes of glenohumeral subluxation – "drooping shoulder" 34
Occipitalization of the atlas with severe cord compression (*case report*) 55
Os peroneum of the left foot, posterior migration of the, indicating a tear of the peroneal tendon (*case report*) 44
Osseous hydatid disease (echinococcosis), the value of computed tomography in 192
Osteogenic sarcoma, primary, of the spine 276
Osteolytic cortical metastasis in the femur from bronchogenic carcinoma (*case report*) 146
Osteolytic lesions, widespread, of the long bones in basal cell nevus syndrome 196
Osteomalacia and secondary hyperparathyroidism (dialysis-induced) with aluminum deposition (*case report*) 223
Osteomalacia, dialysis, with response to desferrioxamine therapy (*case report*) 298
Osteomalacia (rickets) and cerebellar atrophy secondary to the effects of diphenylhydantoin (dilantin) (*case report*) 281
Osteomyelitis, vertebral, and candida discitis at L1–L2 from hematogenous spread (*case report*) 284
Osteopetrosis (tarda type) with hemorrhagic cyst of the right sixth rib (proved) and the left second rib (presumptive) (*case report*) 59
Osteoporosis, can a calcaneal morphologic index determine the degree of 119
Osteosarcoma, cystic parosteal (*case report*) 227
Osteosarcomatous and rhabdomyosarcomatous elements, metastatic Wilms tumor with (*case report*) 218
Oversights, common, in the evaluation of the patient with multiple injuries 103
Painful accessory navicular, the 250
Parosteal osteosarcoma, "cystic" (*case report*) 227
Patellae, secondary hyperparathyroidism related to chronic renal disease with erosion of articular surface of both (*case report*) 63
Patient with multiple injuries, common oversights in the evaluation of the 103
Peroneal tendon, indicating a tear of the, posterior migration of the os peroneum of the left foot (*case report*) 44
Peroneus longus tendinitis, calcifications simulating . . 37
Post-chymopapain (chemonucleolysis) – clinical and computed tomography correlation: preliminary results 270
Posterior migration of the os peroneum of the left foot, indicating a tear of the peroneal tendon (*case report*) 44
Postnatal skeletal development, radiology of. XI. The first cervical vertebra 12
Postnatal skeletal development, radiology of. XII. The second cervical vertebra 169
Primary osteogenic sarcoma of the spine 276
Radiologic imaging in management planning of giant cell tumor of bone, role of 79
Radiological diagnosis of tuberculosis of the adult spine 178

Radiology of postnatal skeletal development. XI. The first cervical vertebra 12
Radiology of postnatal skeletal development. XII. The second cervical vertebra 169
Radiology of total hip replacement 1
Renal disease, chronic, with erosion of articular surface of both patellae, secondary hyperparathyroidism related to (*case report*) 63
Renal failure, chronic, severe erosive arthritis of large joints 29
Replacement, radiology of total hip 1
Rhabdomyosarcoma, alveolar metastatic to the right femur, primary site undetermined (*case report*) 288
Rhabdomyosarcomatous and osteosarcomatous elements, metastatic Wilms tumor with (*case report*) 218
Rib, osteopetrosis with hemorrhagic cyst of the right sixth rib and the left second (*case report*) 59
Roentgenographic follow-up: mucolipidosis I 153
Roentgenographic-pathologic correlation of diffuse sclerosis in Ewing sarcoma of bone 69
Sarcoma, Ewing, of bone, roentgenographic – pathologic correlation of diffuse sclerosis in 69
Sarcoma, primary osteogenic, of the spine 276
Scanning, bone, to detect fractures in a woman on chronic steroid therapy, failure of 204
Sclerosis, diffuse, in Ewing sarcoma of bone, roentgenographic-pathologic correlation of 69
Severe erosive arthritis of large joints in chronic renal failure 29
"Shoulder, drooping" – nontraumatic causes of glenohumeral subluxation 34
Skeletal development, radiology of postnatal. XI. The first cervical vertebra 12
Skeletal development, radiology of postnatal. XII. The second cervical vertebra 169
"Skip lesion", low-grade cartilaginous tumor with (*case report*) 134
Sphenoid bone, giant cell (reparative) granuloma of the (*case report*) 48
Spine, adult, the radiological diagnosis of tuberculosis of the 178
Spine, cervical, and upper extremities, normal thermographic standards for the 235
Spine, primary osteogenic sarcoma of the 276
Sporotrichosis, musculoskeletal 23
Steroid therapy, chronic, failure of bone scanning to detect fractures in a woman on 204
Subluxation, glenohumeral, nontraumatic causes of – "drooping shoulder" 34
Synovial cysts, giant 90
Tendinitis, peroneus longus, calcifications simulating . . 37
Tendon, peroneal, indicating a tear of the, posterior migration of the os peroneum of the left foot (*case report*) 44
Thermographic standards, normal, for the cervical spine and upper extremities 235
Tibia, intraosseous lipoma of the (*case report*) 209
Tibial, upper, diametaphysis, nonossifying fibroma of the, with considerable increase in size over a three-year period (*case report*) 294
Tomography, computed, and clinical correlation – postchymopapain (chemonucleolysis): preliminary results 270
Tomography, computed, in osseous hydatid disease (echinococcosis), the value of 192
Tomography, computed, of cortical desmoid 40
Tomography, computerized, in the evaluation of hip dysplasia, dosimetry of 123
Tuberculosis of the adult spine, the radiological diagnosis of 178
Tumor, giant cell, of bone, role of radiologic imaging in management planning of 79
Tumor with "skip lesion", low-grade cartilaginous (*case report*) 134
Value of computed tomography in osseous hydatid disease (echinococcosis) 192
Vertebra, the first cervical. Radiology of postnatal skeletal development 12
Vertebra, the second cervical. Radiology of postnatal skeletal development 169
Vertebral osteomyelitis and candida discitis at L1–L2 from hematogenous spread (*case report*) 284
Wilms tumor, metastatic, with rhabdomyosarcomatous and osteosarcomatous elements (*case report*) 218
